

Pedal The Park 2021 is planned to take place on 2nd May and to add a bit of colour to the event we are now working with Kalas, the Official Supplier to British Cycling and the Great Britain Cycling Team, to deliver the Pedal The Park 2021 custom designed kit. Our partnership enables us to offer you the opportunity to purchase the same high quality, performance kit as worn by professional athletes. Buy in advance and your order will be delivered directly to your chosen address before the event.

You can log in to the Kalas MyShop facility using the details below and select which bits of kit you want to buy:

Make your selection from short and long sleeve jerseys, shorts, gilets and jackets all in the unique PTP 2021 design. There is also the option to add accessories such as socks, warmers and gloves in a standard design.

The MyShop displays our custom designed garments in a generic design to show the technical aspects of the kit, but with the exception of accessories all kit will be produced in our orange & black PTP design shown on the MyShop landing page.

Please note the custom designed PTP 2021 kit will be made to order. Therefore, it is really important that you order the correct size. Please take care when checking the Size Guide (link available in the footer of each page of the MyShop site) as there are sadly no refunds or exchanges for incorrectly ordered sizes. If you are not sure about sizing or any other details, please use the contact link in the footer of each page and an expert will get back to you to assist.

The Clyde Muirshiel Regional Park MyShop will remain open until 10pm on Sunday 14th March 2021. After this time the MyShop will close and it will not be possible to make further orders. All items will then be produced and delivered in time for your event.
